

Concerts & Events

The **USEF** regularly hosts and participates in a variety of concerts and events, from organizing some of the nation's largest concerts and well respected celebrity parades, to hosting social events to raise awareness for our hero's overseas and their families here at home. You can help us by sponsoring an event or organizing a new event.

If you would like to be a sponsor to benefit The **USEF**, contact email michaelx@theusef.org and we will be happy to include you in our extensive network of entertainers, celebrities and opportunities to get your name branded and seen for a worthy cause while helping those who defend this great land.

If you are a regional business, there are many opportunities including, radio, television, and county events that support our cause and your business as well. We will be more than happy to include you into our network of national and local celebrity entertainers and causes! No business or individual is too small to make a difference.

If you are a National Brand, we offer amazing co-branding opportunities including, concert tours with top celebrities, web-streaming, top music label and film studio support, and a list of press allies that is long, loyal, and include:
